Christian Convention Has Interesting Meeting on Its Last Day.

LARGE SUM OF MONEY RAISED

More Than Thousand Dollars Collected for State Missions. Big Sum Church Extension.

The morning devotions of the Christian convention yesterday were led by J. D. Hamaker, of Strasburg.

Mr. W. L. Dudley, of Oranda, delivered an effective and carefully prepared address on "Why We Should Go Mission Work in Virginia." At this point the reports of committees were heard.

The committee on time and place of next convention reported that the selection of both time and place be left in the hands of the State Board.

The committee on nominations reported the following officers for the coming year: President, W. P. Fox, Richmond; First Vice-President, John S. Elliott, Richmond; Second Vice-President, P. A. Caves, Richmond; Secretary, E. N. Newman, Richmond; Treasurer, T. A. Cary, Richmond; Auditor, F. T. Sutton, Richmond; Dr. Rowland Walker, Norfolk; W. L. Dudley, Oranda; T. W. Bond, Orange; C. H. Walker, Charlottesville; J. R. McWane, Lynchburg; R. E. Elmore, Tazewell; L. C. Shelburne, Christiansburg; members of the board. The above were unanimously elected.

The report of the ways and means committee was presented by its chairman, W. A. Crenshaw, and adopted. One of the important items of it was that the time for the regular offering for State missions be the month of November. It was also decided that the next convention should be held before the national convention of the Disciples, which occurs about the middle of October. The next convention will, therefore, be held in the first part of October next year.

A resolution was passed commending the work of the Anti-Saloon League of Virginia.

Afternoon Session.

The quiet hour was conducted in a very impressive manner by Rev. T. T. Hundle, of Norfolk. The report of the Enrollment Committee showed a very large attendance of delegates from all parts of the State.

L. A. Cutler spoke tenderly of those who have been removed by death during the year. Rev. Mr. Campbell, of the American Bible Society, gave an earnest appeal in behalf of that work. Dr. R. P. Shepherd made an appeal in behalf of the church extension board.

F. M. Raines, of Cincinnati, addressed the convention on "The Gospel for the Whole World." The great audience was stirred with his great appeal. The Executive Committee of the church is supporting four hundred missionaries in the heathen field, besides hundreds of native helpers. Forty-three schools on the heathen field have 3,350 students.

Dr. Raines will remain in the city over Sunday, and will preach at the Marshall Street Christian Church at the morning service.

Mr. W. J. Kimbrough, of Richmond, gave a most excellent address on "Problems of City Sunday-Schools." His address was full of practical suggestions, and was enthusiastically received.

The church was crowded at the closing session last night, and F. M. Raines gave another excellent address on State missions. This closed what is believed to be the greatest convention ever held by the Disciples in Virginia.

LARGE DAMAGE SUIT.

Dr. Moore Brings Action for Fifty-three Thousand.

(Special to The Times-Dispatch.)

SALLSBURY, N. C., Nov. 6.—Dr. J. H. Moore, of Alexander county, proprietor of the Moore Cotton Mills, at Lenoir, N. C., has brought action against the First National Bank of Statesville for \$53,000 damages. The suit is the outcome of a check which was cashed at the bank on this date by the above named bank and upon an affidavit of the cashier, Mr. George H. Brown, covering all the property of the Moore Cotton Mills, the Lenoir, N. C.

The music of "Strange and Edwards' new patriotic comic opera, "When Johnny Comes Marching Home," that will be presented at the Academy Tuesday, Wednesday and Wednesday matinee, November 10th and 11th, by the Whitney Opera Company, has already become vastly popular even in cities where the opera has not yet been heard.

VETERANS OF MANCHESTER

They Fought the Fight Over Again at the Crater.

HAD A VERY GOOD TIME

Reported Marriage of Miss Bass and Mr. Prentiss—Street Improvements—Personals.

Manchester Bureau Times-Dispatch, No. 1102 Hill Street, S.

Joseph E. Johnston Camp got back to Manchester from Petersburg and the Crater in bunches. They left in a body at 9 o'clock yesterday morning, but after the festivities of the day they got separated and came back as they pleased. Comrade Jim Harding, one of the first to return, said the camp as a body and individually had a most pleasant time, and hoped the celebration would take place every now and then.

A large number of persons went over from Manchester, and reports are that everybody had a good time.

REPORTED MARRIAGE.

News of the marriage of Miss Verna Bass and Mr. H. J. Prentiss was received in Manchester yesterday.

Mr. Prentiss and Miss Bass left here several weeks ago. Nothing was heard of them for some time, but the news of their marriage received by the parents of Miss Bass yesterday set at rest all indications of alarm.

The couple, it is reported, were married in Greensboro, and went on a trip South. They expect to return to Manchester later.

MANCHESTER BOYS.

The four young men arrested in Richmond yesterday by Special Officer Rolston on the charge of stealing brass from the Trigg works, and who gave Petersburg as their home, are known here.

Sergeant Wright, of the police department, said last night that they were Manchester men, and that they were well known to the police here.

STREET IMPROVEMENTS.

The Street Committee, of which Mr. R. L. Patram is chairman, is determined to make the streets of the city presentable and a credit to the city.

The last appropriation has been used to good advantage, and citizens generally are congratulating the committee on their showing.

City Engineer Lipscomb has pushed the work "to a finish," and when the contractors get through a good showing will be the result.

A larger appropriation will be asked for in the next budget, and the citizens seem to be with the committee in their efforts to make permanent improvements.

COUNTY ASSOCIATION.

A "Chesapeake County Association" has been organized at the Virginia Polytechnic Institute, composed of students whose homes are in Chesapeake and Manchester, with the following officers: President, B. C. Watkins, vice-president, H. R. Wood; secretary and treasurer, A. V. Adams; sergeant-at-arms, Y. N. Cook.

PERSONAL AND NOTES.

The Finance Committee met last night and transacted routine business.

Beta Chapter of the Standard Bearers' Society of Stockton-Streets Church met last night at the home of Dr. R. W. Criddle, on East Tenth Street.

The Finance Committee of Bainbridge-Streets Church will make its report tomorrow.

The returns from Goochland and Powhatan were well received by friends of the Democratic candidates for the Legislature, as they indicate a crushing majority for Sadler and Harrison, or Senate and House.

KILLED ON THE TRACK.

Forest Fires Injure Apple Orchards in Albemarle.

(Special to The Times-Dispatch.)

AFTON, Va., Nov. 6.—Old "Uncle" Horace Minor, one of the "old-time" darkies, was killed last week about Afton by the Chesapeake and Ohio train coming east. He was very feeble and ill, and had not time to get off the track before the engine struck him.

Forest fires have been raging on the mountains this week. It has been a grand sight to watch what looks like immense bonfires in the distance, stretching for miles; but the damage has been great. Many orchards have been damaged, miles of fencing destroyed, and much valuable timber injured. The "Royal Orchard," owned by Mr. Ferd W. Scott, of Richmond, is badly damaged.

The rain last night helped to put some of the fire out, but it is still raging fiercely.

AMBULANCE STRUCK CAR.

Policeman Bailey Was Slightly Hurt by Collision.

An ambulance call yesterday afternoon from Seventeenth and Dock Streets caused a slight accident at Seventeenth and Main streets. The ambulance was passing that point it was struck by traction car No. 133, and Officer Nick Bailey, of the First District, who was on the rear step of the ambulance, was knocked off. His hand was cut and his coat was torn. The ambulance was slightly damaged. The call was sent in because a negro named Herbert Gray had fallen from a car. The accident did not amount to much, as the negro was only slightly hurt.

Officer Bailey was on duty last night.

MORE LIGHT IS LET IN

Lewis Nixon Again on Stand in Ship-Building Trust Investigation.

MANY ADMISSIONS ARE MADE

Mr. Nixon Agrees That Many Statements in Prospectus Were False.

(By Associated Press.)

NEW YORK, Nov. 6.—Lewis Nixon was again the sole occupant of the stand at the hearing this afternoon in the application to make permanent the reorganization of the United States Shipbuilding Company, the session being marked by frequent tilts between counsel at times verging on personalities, Mr. Guthrie and Mr. Undermyer, each making the flatter denials of statements made by the other, and Mr. Guthrie speaking in addition of the "importance" of the Undermyer, Mr. Schwab was not reached as a witness.

Mr. Undermyer spending the afternoon in examining Mr. Nixon about the alleged false statements and misrepresentations to the public during the preliminaries to organization.

Mr. Undermyer embarked in a long course of questioning about the working capital of the company, finally making Mr. Nixon admit that the company had not on hand at its office on July 31, 1929, working capital of \$1,500,000, as stated in the application for listing the shipbuilding company stocks; that instead it had but \$300,000, and that borrowed, and that the \$1,500,000 was not deposited to the credit of the company until September 1st, and was then raised on personal notes signed by Nixon and Dresser, the cash being deposited by the Trust Company of the Republic, half with Harris, Gates & Company, and half with other concerns, and by these concerns loaned to Nixon and Dresser on notes endorsed by the Trust Company of the Republic. The suggestion that Mr. Schwab's stock had been marketed first came first from Mr. Schwab, he said.

The statements in the prospectus of June 14th were taken up and Mr. Undermyer extracted from the witness acknowledgments that a number of them were false. The capitalization of the company, the names of the directors, the amounts of the earnings of the constituent companies, and other details were acknowledged to have been erroneously stated to the public in the prospectus, but Mr. Nixon disclaimed all responsibility for its preparation. He had at the time enclosed the statement in it that the companies were then earning \$2,200,000 per annum, because it was not actual earnings, but estimated earning capacity in combination.

The hearing was adjourned until Tuesday next.

FROM FINLAND TO MEET LOVER

After Waiting Sixteen Years Chief Boatwain's Mate Engblom Claims His Bride.

(Special to The Times-Dispatch.)

NORFOLK, Va., Nov. 6.—After waiting sixteen years in far off Finland, the Arctic circle, Miss Rosa Engblom has come to America to marry Mr. K. Engblom, who is stationed at St. Helena Naval Reservation, on the receiving ship Franklin, as chief boatwain's mate.

The prospective groom left his native land and his sweetheart behind sixteen years ago, and came to this country, expecting to return in due time and claim his bride.

Mr. Engblom joined the navy, and finding it impossible to leave his duties long enough to go back home for his bride, it was decided that the sweetheart of his youth must join him here.

They were married upon her arrival to-day.

SOUTHAMPTON, ENGL., Nov. 6.—The Hamburg-American Line steamer Pueria Blomarch, which sailed from here to-day for New York, took \$250,000 in gold.

RUNAWAY MATCH.

Mr. Griggs Makes a Philadelphia Girl His Bride.

The marriage of Mr. F. L. Griggs and Miss Anna Smith, by the Rev. J. B. Hutson, at the residence of the groom's parents, at No. 102 South Cherry Street, on the 4th, was a surprise to the friends of both parties.

Mr. Griggs, formerly of this city, had been engaged in business in Philadelphia for several years. While there he met Miss Smith, and a day was set for the marriage. Parental objections caused an elopement, and the two came to Richmond, where they were married quietly.

Mr. Griggs has many friends here. He went to the front with the R. I. Blue in the Spanish war, and is well remembered. He will, with his bride, make his old home, his future home.

He was seemingly absorbed in a newspaper, and did not want to see reporters. The only statement made by him was in reply to the question as to whether he had received a letter from his missing son. He said he had not.

A friend of the family who conversed with D. B. Wentz yesterday confirms the report that the family received the \$100,000 proposition to find Edward Wentz, but states that after repeated conferences with the man, the conclusion had been reached that he was a sham, and everything the newspapers have to say in support of that theory.

NO TIDINGS FROM WENTZ

His Father Denies That He Has Received a Letter From His Son.

(Special to The Times-Dispatch.)

BRISTOL, TENN., Nov. 6.—The mystery surrounding the disappearance of Edward Wentz, the young millionaire, continues to be a puzzling affair.

Dr. and Mrs. Wentz, the aged parents of the missing man, arrived in Bristol this afternoon on their way back to Philadelphia, after three weeks of waiting for tidings from their boy. They studiously avoided reporters, the hotel clerks where they stopped having received instructions to report them "not in."

Dr. Wentz was seen in the depot waiting room, where he arrived a few minutes in advance of the train on which he and Mrs. Wentz were to depart for Philadelphia.

He was seemingly absorbed in a newspaper, and did not want to see reporters. The only statement made by him was in reply to the question as to whether he had received a letter from his missing son. He said he had not.

A friend of the family who conversed with D. B. Wentz yesterday confirms the report that the family received the \$100,000 proposition to find Edward Wentz, but states that after repeated conferences with the man, the conclusion had been reached that he was a sham, and everything the newspapers have to say in support of that theory.

THEY THOUGHT THAT THE PRESIDENT WAS SHOT

There was a rumor current here last night that President Roosevelt had been shot while coming out of a theatre in Washington.

Many inquiries were received over the phone as to his condition, and it proved hard to convince the inquirers that there was no truth in the story.

DRUGGISTS MUST BE CAREFUL. They Sell All Kinds of Hair Preparations, and Fear to Discriminate.

Druggists sell all kinds of hair preparations, and as a rule they are wisely chary of giving preference to any particular one, but many of them have come to rely on Newbro's Herpicide, the new treatment that absolutely kills the dandruff germ. H. Swannell and Son, of Champlain, Ill., say: "One customer of ours who did not have a hair on top of his head, when he began to use Herpicide, now has a fair start towards a good head of hair. We believe Herpicide to be by far the best preparation of its kind on the market." Hundreds of similar testimonials from all over the country are being received. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich., Owens and Minor, Drug Co., Special Agents.
